

## New ordering process effective ***February 5, 2018***

Beginning February 5, 2018, MNT4P patients currently receiving support with low-protein modified foods (LPMF) will be able to order directly from Cambrooke Therapeutics. Patients will work with Cambrooke directly to receive the LPMF they need to maintain diet compliance and a healthy lifestyle.

You will receive approval from MNT4P for **up to \$200/month based on the attached price list** to spend on both dry- and cold-ship LPMF based on the MNT4P specific price list. Funds do not carry over from month to month. *You will be responsible for LPMF monthly costs exceeding \$200.*

### Complete MNT4P Application

This only needs to be done once. If you are already enrolled in the MNT4P program, you will not need to fill out another application.

### Receive Approval from MNT4P

You will receive approval from MNT4P to order \$200/month of LPMF for a 6 month period. Approval must be renewed by MNT4P every 6 months.

You can order your LPMF by calling **(866) 456-9776 ext. 2** or emailing **[sales@cambrooke.com](mailto:sales@cambrooke.com)**. Please indicate that you are an Emory patient.
