

## Updated ordering process effective April 2021

MNT4P patients currently receiving support with low-protein modified foods (LPMF) order directly from Cambrooke Therapeutics (Ajinomoto Cambrooke). Patients will work with Cambrooke directly to receive the LPMF they need to maintain diet compliance and a healthy lifestyle.

You will receive approval from MNT4P for **up to \$150/month** to spend on both dry & cold LPMF orders based on the MNT4P specific price list that is emailed after approval. You are to order **once a month** and not to divide your orders. Funds do not carry over from month to month. *You will be responsible for LPMF monthly costs exceeding \$150.*

### Complete MNT4P Enrollment

This must be done annually followed by one-time completion of **LPMF Authorization Form**.

### Receive Email from MNT4P

You will receive a price list and ordering instructions from MNT4P. You can order up to \$150 of LPMF once per month.

### Order directly with Cambrooke

You can order your LPMF by calling **(866) 456-9776 ext. 2** or emailing **[sales@cambrooke.com](mailto:sales@cambrooke.com)**. Please indicate that you are an MNT4P patient.

### Items shipped to your door

Once your order has been placed, it will arrive within 1-2 weeks at your home.

MNT4P will provide help sessions **as needed** to familiarize you with the process. To schedule your help session or for other inquiries regarding LPMF, please contact **Tammy Scott**, [tammy.scott@emory.edu](mailto:tammy.scott@emory.edu), (404) 778-8497 or **Saran Gurung**, [saran.raj.gurung@emory.edu](mailto:saran.raj.gurung@emory.edu), (404) 778-8607. You can also visit <https://mnt4p.org/> (Contact Us).
